I certify that I have read and understood the questions asked in this questionnaire and that the above responses are correct to the best of my knowledge. I understand that it is my responsibility to inform the Center of any metal fragments and/or devices that may be in my body, and that by failing to do so may cause serious bodily injury or be life threatening. I agree that should I have any metal in my body and, after consultation with a physician, elect to proceed with the MRI, I agree to release Center from any and all liability for any injury.
